

# Survey for Stakeholder involvement

We are looking for 'local experts' to allow our pupils to find out more about the people who make our school such a special place, and for our 'experts' to share a skill or interest that our pupils may not have had opportunity to be involved in before.

Can you help us?

**Name:**

**What role do you hold within our school community?**

**Do you have any special skills or interests that could be introduced to the pupils in our school?**

**If so, how do you feel your skill/interest could benefit our pupils?**

**How could our teaching staff accommodate you so that our pupils can hear and learn more about you skill/interest? For example, would you feel comfortable teaching the pupils yourself with our teacher's support, or would you prefer to supervise one of our teaching staff?**

**Do you belong to any local clubs or organisations?**

**If so, does your club/organisation have opportunities for children to join?**
